READ AND CHECK EACH BOX BELOW:

- Dogs not familiar with TDA daycare may experience separation anxiety when apart from their human companions.
- Dogs not regularly exposed to the level of activity at TDA daycare may experience sore muscles or slight fatigue after a full day of play.
- Dogs not regularly exposed to outside activity or play on hard surfaces may experience sore paws or slight abrasions on their paw pads.
- Dogs not regularly socialized do not necessarily know how to behave politely with other dogs. These dogs are at higher risk of incidents including, but not limited to, bites, fights, fear aggression, object guarding, behavior problems and/or acting out.
- All dogs are socialized in a controlled environment with other dogs that are size, age and temperament compatible.
- Dogs at play during regular daycare do get dirty.** Dogs with longer hair can get matted from the level of activity at daycare. Baths and brush outs can be requested and scheduled.
- Excessively long nails may cause injury. Please keep your dog's nails trimmed or ask for assistance and we will trim them for you.
- I understand the extra risks puppies have of contracting disease or illness by entering daycare at such a young age.
- Ample amounts of water are available throughout the daycare day.** However, your dog may still be thirsty after daycare. Be aware of their water intake as excessive amounts may cause an upset stomach or other problems.
- Any behavior deemed dangerous or inappropriate by TDA may result in dismissal from the program.
- I agree to pay for all services due at the time they are rendered. I understand any unpaid fees by me will be sent to collections and I will be responsible for all collections and legal fees incurred by such actions taken.
- I understand and agree that in admitting my dog(s) into TDA daycare, TDA has relied on my representation that my dog(s) have not harmed or shown aggression or threatening behavior towards any person or any other dog.
- I certify that my dog(s) is/are in good health and has/have not been ill with any communicable disease within the last 30 days.
- I have read and understand the TDA daycare rules and regulations.
- I understand that TDA staff give all pets involved in any type of incident a cursory examination, however, TDA is not liable for the location, treatment or diagnosis of any injuries incurred on the premises.

For myself, my heirs and any assigns, I hereby release Top Dog Academy, Inc., it's agents, officers, subcontractors, employees, animal parents, customers and potential customers of TDA from any and all liabilities for injuries to myself, my dog(s) or any other property of mine which arise in any way out of services and/or products provided by or as a consequence of my association with TDA. I acknowledge and understand that every dog reacts differently and that animals, by nature, are unpredictable.

Dogs and animals may, without warning, bite or cause injury to humans and other dogs. I acknowledge and understand that there are certain risks involved in participating in daycare, including but not limited to dog fights, dog bites to humans or other dogs and the transmission of disease.

In the case of emergency or for the use of any TDA vehicle, I recognize the risks of injury that accompany said transport and acknowledge that this RELEASE is being relied upon by TDA to permit transport of my pet to and from TDA or any other necessary location. Furthermore, I accept any and all conditions, rules and regulations promulgated by TDA associated with the activities, use of the facilities and transport, and hereby agree to comply with them.

With my signature below, I accept exclusive and sole responsibility for these and all other risks and release TDA of all liability, no matter the cause.
